Your mission is to transform
the news article into a
Facebook post targeted at
parents.

Your mission is to transform
the news article into a
Instagram carousel target at
young adults.

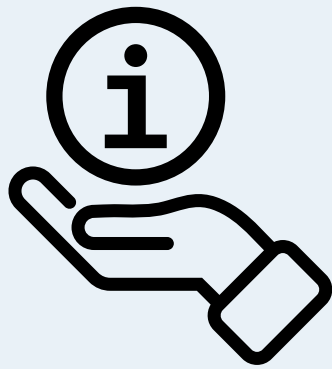

Your mission is to transform
the news article into a TikTok
script targeted at teenagers.

Your mission is to transform
a news article into a blog
targeted at young activists.

Now rewrite the article so it just tells the facts without taking a side.

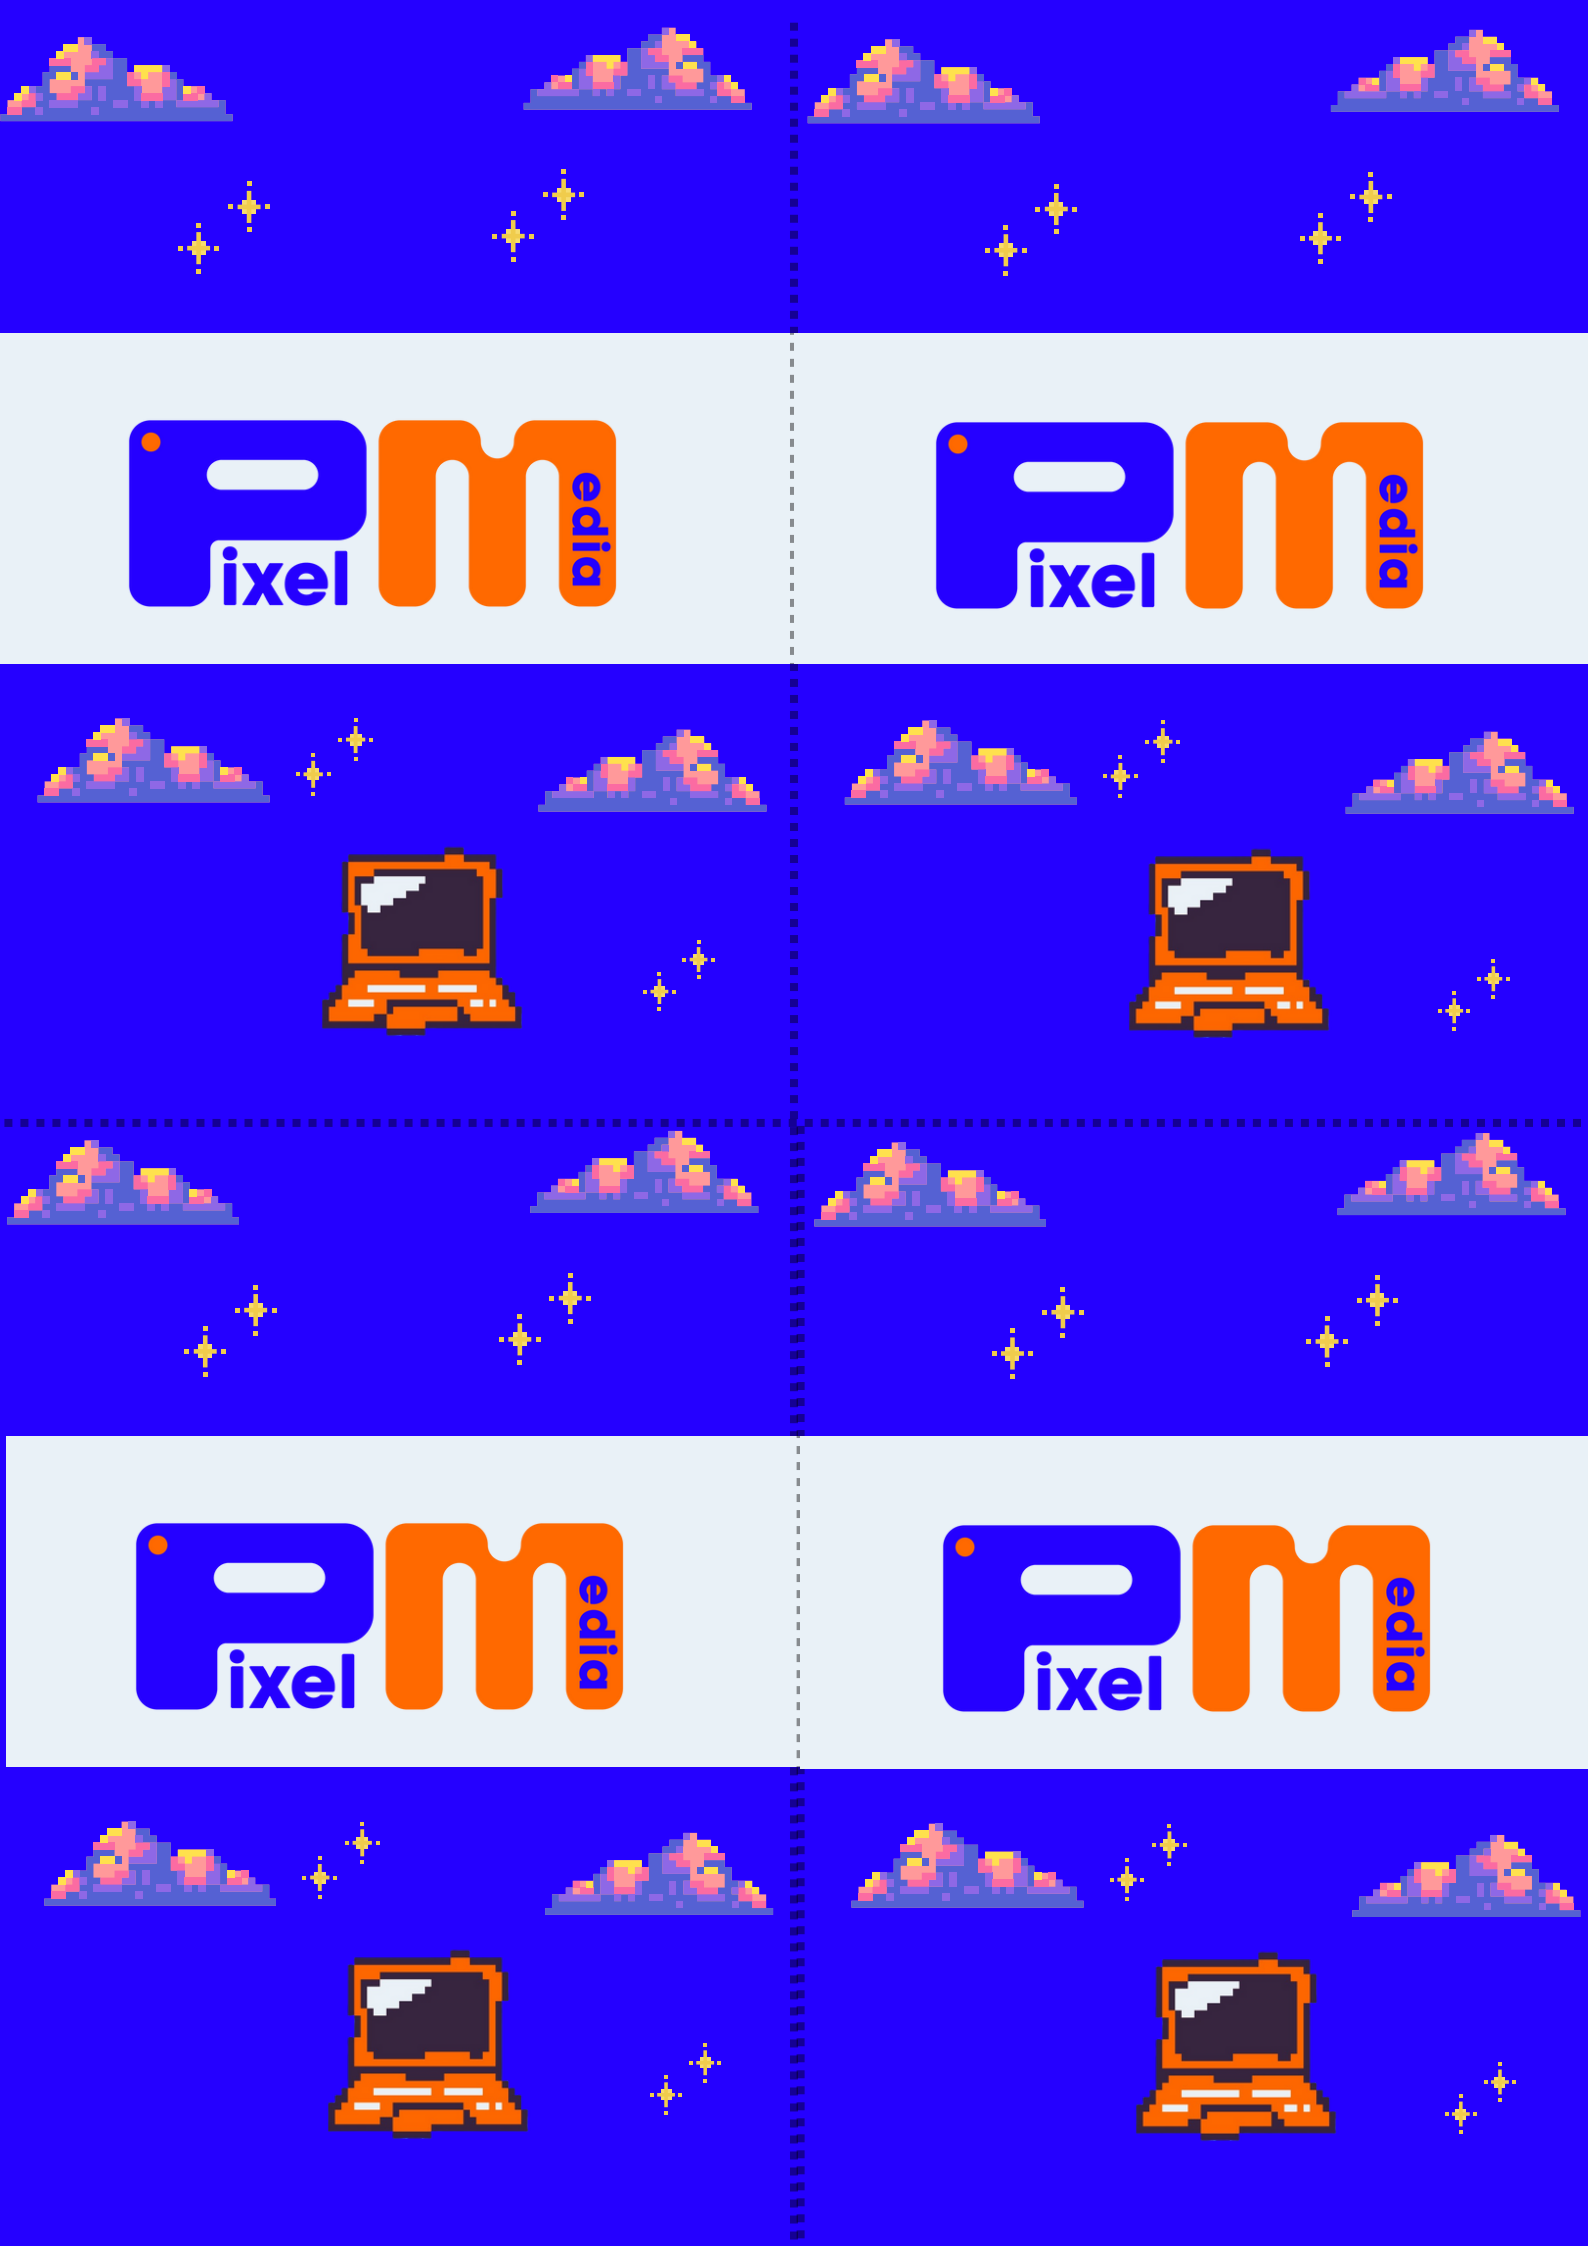

Now rewrite the article in a funny or exaggerated way, almost like a meme or parody.

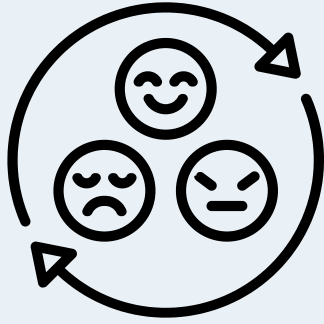

Now rewrite the article to grab attention and shock people.

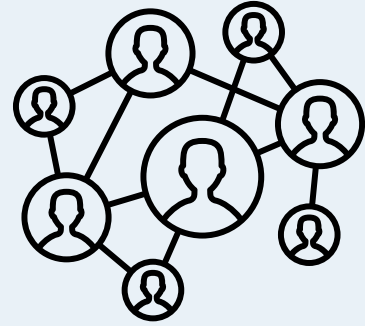

Now rewrite the article as if you were doubting it or exposing problems.

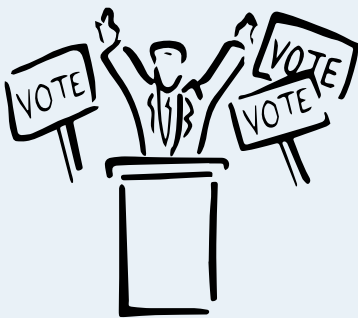

Now turn the news article into a version that makes people really feel something, such as fear, anger, hope or joy.

Now turn the news article into a version that shows how it affects people's everyday life, friends, families or communities.

Now turn the news article into a version that looks like a big deal for politics, leaders or government decisions.

Now turn the news article into a version that sparks arguments and debate between different groups or opinions.
